RULES & REGULATIONS

Irregular Canvassing and Distribution of Advertising Matter

Solicitation of business or conferences in the interest of business except by exhibiting firms is prohibited. Exhibitors are urged to report to the MSRD Staff any violations of this rule. Canvassing by exhibitors outside of their booths is also forbidden. Circulars or advertising matter of any description shall not be distributed except from the exhibitor’s booth.

Exhibits of Electrical and Radiographic Equipment

Machines and apparatus operated by electricity must be shown as “still” exhibits. Practical demonstrations of x-ray apparatus and accessories or any noisy apparatus of any kind will not be permitted. No objection will be made to the utilization of electricity for illuminating purposes or for operating smaller diagnostic instruments and electrotherapeutic apparatus, which do not distract or annoy other exhibitors.

Subletting of Space

No subletting of space is permitted. Each firm represented in the Exhibit Hall must sign the regular Exhibit Application and Agreement. Any person or firm subletting space, as well as the one purchasing space, will be subject to eviction. No refund will be made for space reserved.

Uncontrollable Eventualities

The Maryland Society for the Rheumatic Diseases will take all reasonable precautions against damage or loss by fire, water, storm, theft, strike or any other emergencies of that character but does not guarantee or insure the exhibitor against loss by reason thereof (see “Responsibility Agreement”).
